“You can live your dream...”

“It is by choice and not by chances that we change our circumstances.”  
Inspirational rising star Nadia Sahari believes this with all her heart.  
She is living it and you can too! Never give up!

Nadia was born in Beirut, Lebanon, and raised in Dearborn Heights, Michigan, a suburb of Detroit. Her life revolved around music, dance, and the arts. From the age of ten, she dreamed of being an actress and singer. Her creativity and music became an escape from the horrors of the world that sometimes befell her. She used all this to become a

successful entrepreneur, creating and owning several businesses, writing books, hosting her radio show, and living her dream of being an actress. She appeared in movies, TV episodes, and Talk Shows and a lot of press and Red Carpets.
